Dear California Middle School Community,

Thank you for your patience and support as we begin our search for our new principal of Cal Middle School beginning in the 2022-23 school year.

As I shared in my January 5th administrative update, we are now ready to begin the search process for the new principal! We are now seeking your input to help us identify characteristics you would like to see in the school's next principal. We will use the information gathered to craft interview questions and help guide the hiring process.

On Tuesday, March 29th at 6:00, we will host a live webinar to highlight details about the hiring timeline and interview process and for you to provide feedback on the characteristics you would like to see in the next principal at Cal.

Please go to the following link to register for the webinar:

https://scusd.zoom.us/webinar/register/WN_ixeXHBs8RsGXyr-H0Gx3dw

If you are unable to attend the webinar, I would still value your feedback! A desired principal characteristics Google Form for your feedback can be accessed at the following site until 12:00 pm on March 30th: <https://www.scusd.edu/calmiddleprincpalsearch>

While our hiring procedures have been modified to address the current pandemic, we expect to announce our new principal no later than the April 21st board meeting. As always, we welcome the opportunity to hear from and work with you. Please don't hesitate to reach out with your thoughts and concerns.

Thank you,

Chad Sweitzer

Instructional Assistant Superintendent
